

BASIC AND APPLIED SCIENCES PROFESSIONAL ADVISORY GROUP (BASPAG)

Self-Nomination Form

The Basic and Applied Sciences Professional Advisory Group (BASPAG) provides advice to the Surgeon General, through the Health Services Professional Advisory Committee (HS-PAC), and the Health Services Chief Professional Officer on professional and personnel issues related to PHS officers working in basic and applied science disciplines.

Selections will be made by the BASPAG voting membership and will be based on the nominees' commitment to public health, to advancing the goals of fellow officers in the basic and applied science disciplines, and other specified criteria (e.g., organizational, discipline, gender, and minority representation).

=====

I want to nominate myself to serve on the BASPAG voting membership for a 2-year term beginning January 1, 2008. If selected, I am expected to participate in all teleconference meetings, unless excused by the BASPAG Chair. I also agree to participate in BASPAG subcommittees and other activities.

My supervisor supports me in this commitment and understands that I will have to devote some of my normal duty hours to attend meetings and participate in committee work. In addition, I understand that I must meet OFRD basic readiness qualifications.

I have included a copy of my current CV (including summary sheet) and a cover letter describing (1) how my specific experience and expertise will benefit the BASPAG; and (2) specific activities/subcommittees that interest me.
